BUSINESS AND LOGISTICS OPERATIONS SUPPORT

KROSAKI HARIMA EUROPE B.V

KROSAKI HARIMA EUROPE B.V

From our main office in North Holland and regional offices throughout Europe we provide technical, logistical and sales support for the refractories manufactured by Krosaki throughout the world. Group headquarters being in Japan. Our growth is achieved by concentrating on service and relationships with major European Steel Manufacturers.

Krosaki group manufactures and sells refractories since its establishment in 1919 using state-of-the-art technology, demonstrating respect to the law and sensitivity to global environmental challenges.

We are looking for a new colleague in our Logistics department.

HOW YOU CAN MAKE A DIFFERENCE

By joining our team you will be supporting Krosaki and helping to realize our ongoing growth with our valued customers. On-the-job learning will be key part of your development in the company, both at the Main office and at the major steel producers in Europe.

WHO YOU ARE

We are looking for a colleague who:

- Minimum 5 years of Experience in sales, price calculations and trading.
- Ability to create and understand sales analysis.
- Knowledge of supply chain management and experience in optimizing supply chain processes to reduce costs and improve delivery times.
- A background in engineering or chemistry and prior work experience in the steel or refractory industry is an advantage.
- Ability to understand of the chemical composition of the raw materials used in refractories to understand and negotiate the purchase price.

- **Basic** knowledge of trade and tax laws and regulations, with the ability to ensure that all business operations are in compliance.
- Fluent in both French and English, with excellent written and verbal communication skills in both languages. Italian and/or Dutch is a plus.

WHAT YOU'LL DO

As a Business & Logistics Operations Support you will:

- Price calculation for the re-occurring sales, inline with the transfer pricing strategy.
- Create regular sales and transport cost reports along with analysis for improvement.
- Project, Order and Stock management.
- Order and Invoice processing in SAP.
- Optimize supply chain processes to reduce costs and improve delivery times.
- Negotiate with all stakeholders in our supply chain including our production plants and forwarders.

IS THIS YOU?

We are looking for a colleague who:

- Will work 40 hours per week.
- Proficient Microsoft Office knowledge and skills; especially MS Excel. SAP knowledge of benefit.
- Strong time management and organizational skills
- Eye for details and goal-oriented
- Ability to work independently and prioritize tasks
- Strong analytical abilities
- Language skills: English and French at a professional level

Training is important to us as a business and will be provided.

WHY CHOOSE KROSAKI?

We offer a stimulating environment in an international team, where we encourage personal and professional growth. You will have the possibility to make an impact in a fast-growing company, whilst at the same time develop your technical and commercial skills. Additionally, we offer a competitive package.

If you think you are a good fit for this job, please send us your CV and motivation letter to hr@krosaki.nl.

We look forward to speaking to you!
